Your Agent's information

The screenshot shows the real estate portal interface. At the top, there is a header for the agent, Peggy Ferron, with her contact information. Below this is a navigation bar with icons for 'Find a Home', 'My Searches', 'Favorites', 'Messages', 'My Agent', and 'Help'. A search bar is present with the text 'Jump to a location' and a 'Start a New Search' button. The main content area displays a map of Colorado Springs with several green location pins. To the right of the map, there are two property listings. The first listing is for 4360 Basswood Drive, priced at \$275,000, with 4 beds, 3 baths, and 2 garage spaces. The second listing is for 3535 Fair Dawn Drive, priced at \$279,900, with 4 beds, 3 baths, and 2 garage spaces. A 'Map Tools' dropdown menu is open, showing 'Roadmap' selected. A 'Notes for you and your agent' section is visible at the bottom right, with an 'Add Note' button.
